New Session Times 10am—11.30am

Dear Members

Following our AGM we'd like to thank you for the continued support for your Toy Library over the last year. Running TL has been a real challenge and we hope the changes we've made have been well received!

We have a new signing in book for fire safety reasons and we thank you to sign in on your arrival at every session. It is placed on our Booking Desk.

We have decided to start at the later time of 10am as the school run and Clea's train takes up valuable time needed to set up. New times are now 10am—11.30am.

Our prices remain the same and our year Membership is still £4.50 since 91. 50p per toy has been increased from 30p back in 91. We are one of the cheapest Children's group in Town! We thank you all for your support

Cass Pauline and Clea xx

Reminder -Toys are due back by 10.30am

We'd like to thank Alicia who has kindly taken up the role of Booking in our toys on return. Please help Alicia by giving her the toy number and then putting the

toys back out on display for others to see. This reduces the amount of toys on her desk and is fair on those waiting for toys to come back.

Thank you x

When booking out, please give us your membership number and each toy number. If you buy an old toy from us please give Alicia the toy number so we can delete it from file.
