Charity No 1109336

Don't forget we are on Facebook!

Thank you...

Just to say thank you to all those that have supported our new and improving group! So far we are proving to be a real success and we are looking forward to an even better new year to come!

Previous Events

WTL turned 18 this year and we celebrated with a Monday Funday back in the August holiday .

Congratulations to Gayle

who won the £10 gift voucher after completing our Questionnaire!

Halloween Fireworks Party Session

Mon 2nd November 09

Our session will run as normal with a spooky bonfire theme! We will have refreshments in the same way and a few extra snacks. Fancy dress is welcome. We will charge an entry fee of 50p per child to cover our extra costs.

From January Toy Library will meet fortnightly!

Stay 'n' Play

As we are now running more of a group for you and your children, we feel it would be fairer if members wait until the end of the session, where possible, to take out the larger toys. *Thank you x*

(Please feel free to have a look in our container for more toys!)

Stalls

Don't forget you can have your own stall at our sessions.

(Please ask for details)

New Toys and thank you if you donated toys to us!

-
- ☺ 2nd Nov Halloween/ Fireworks Party
 - ☺ 7th December Christmas Party!
 - ☺ 11th January Returns ONLY
 - ☺ 18th Jan Stock take

 - ☺ 8th Feb Love Toy Library!

Christmas Party

Mon 7th Dec

9.45—11.30am

£1 per child

Snacks, refreshments

and a special visit from

Santa!

Improving our website

We have improved our website and updating our information as best we can!

Dickensian and Tree Festival 4th Dec 09

WTL will be having a stall at this traditional festive evening.

It will be the 1st time we have had a stall at this event and will be having a Christmas tree on display in Leaside Church.

We will look forward to seeing you there!

If you'd like to help on our stall please let us know!

Thank you to Ash Valley that arranged to have our new A board in place of our old chalk board to advertise our group. You may have seen this in the foyer. We also thank them for their help and continued support.

Space Saving! Having different jigsaws and boards games on a regular basis saves you space at home! We've Hungry Caterpillar, Dotty Dinosaurs, and Sound-tracks.

Drill Hall Amwell End

It has been suggested that the Drill Hall in Amwell End would be a better place to meet. Tuesday mornings has also been suggested.

STORAGE inside and for our container

SPACE

HALL HIRE COST

PARKING

EASY ACCESS

These are our 5 main concerns that need to be in place for our group to work. Please let us know what you think!

Toy Library a real success!

We are very pleased with how we are running Toy Library and we are learning and improving all the time!

It's a tough job but well worth the time that we have all put in so far.

Our October session was great we took 5 new members and took new ideas to play with! We are working towards fundraising and hope to receive future grants for more new Toys unavailable in the shops.

Training courses have been a giggle and we've met many other Toy Library Groups within Hertfordshire.

We are all working very hard to achieve our goal to become a popular play group on Monday morning! Children love our parties and our mixture of toys to play with!

Please do tell us your suggestions to help improve your group. *Thank you xx*

"I've not been before and really enjoyed the session"

"My son couldn't put the Vtech spin top down, so we brought it home!"

New Giant Toys

Limbo A great fun game for all ages

Giant Connect Four

Bouncy Castle

Ball Pond

Air Flo

Snakes and Ladders

Pop up Tent

Swing ball

Brilliant Start Activity Table

And lots more new toys!

Going fortnightly!

From January 2010 our group shall meet every 2 weeks.

Very Big Thank you to Clea..

Clea lives in Waltham Cross and has given us her time and love for the Toy Library. Clea travels by train every Monday and works very hard to draw and design our posters despite poor eye sight. Clea is a very friendly and helpful part of our team and we'd like to thank her for everything she helps with Not forgetting making a great cuppa tea!

Thank's Clea xxxx
